

Middle Team - Triple A in Action

ROOM 10

In Room 10 we have played lots of collaborative games to get to know our classmates. This has helped us to learn to work as a team. It was fun!

ROOM 9

Room 9 has been writing descriptions of our family.

“My mum is really nice. She loves to sleep and has black curly hair. My mum has a big smile and brown chocolate coloured eyes. Her hobby is to cook! She cooks rice, eggs, biriyani, dosa, motichoor, naan and chappathi.

ROOM 8

Room 8 has been training for the Triathlon by doing lots of running and swimming. We showed tū māia by not giving up even when it gets hard!

ROOM 7

In Room 7 we have been learning our pepeha. Our pepeha is how we introduce ourselves in te reo Māori by sharing who we are, where we come from and where we belong.
